- **Monday, April 13<sup>th</sup> through Friday, April 17<sup>th</sup> □ 6 a.m. to 5 p.m.**  
Lanes may be restricted or closed for short periods of time along Lake Mary Road between JW Powell Boulevard and the Flagstaff City Limits. Motorists should be aware of narrow lanes, reduced speeds, and flagging operations. There may be debris on the roadway and delays associated with this work.

## **GUARDRAIL WORK AT LAKE MARY IS ONGOING**

Guardrail removal and replacement continues along Lake Mary Road adjacent to Lake Mary. Please be aware of the following impacts:

- **Monday, April 13<sup>th</sup> through Friday, April 17<sup>th</sup> □ 6 a.m. to 5 p.m.**

Lanes may be restricted along Lake Mary Road at Lower Lake Mary. Motorists should be aware of narrow lanes, reduced speeds, and possible delays associated with this work. Please remain alert for bicycle traffic traveling through traffic control zones.

## **BICYCLE ACCESS POLICY**

The Lake Mary Road Improvement Project team is working to accommodate recreational bicycle use of Lake Mary Road during construction. To accomplish this, the Bicycle Access Policy will close Lake Mary Road to bicycle traffic between JW Powell Boulevard and the Flagstaff City Limits Monday through Friday. During this time, cyclists are encouraged to park beyond the City Limits and avoid riding through the heavy construction zone. Currently, weekend bicycle use of Lake Mary Road is permitted. This Bicycle Access Policy is subject to change as the project moves forward. You will be notified of any change to the Bicycle Access Policy by eNews.

The project team is committed to the safety of the public during construction and would like to remind the community to drive slowly and safely through the construction zone.
